+ Mysore Decr 1879 6/8/95

On 6 August 1895, the
Dy Commr of the Mysore
District requested instructions
to the D. P. W. to take up
the work of bridging the
road on the ground that
much inconvenience was
felt by laden carts to pass
the mallas in rainy season.

(2) In reply the Dy Commr
was requested to consult the
C. Engineer and to ascertain
the estimated cost of the
whole work. It was noted
that it was undesirable
that bridge work should
be executed piecemeal & that

Professional opinion should
be obtained and submitted
as early as possible.

(3) Accordingly the Dy Commr
submits a copy of the C.E.
to 94107 5/2/96 and states
that the cost of the bridge
work comes to Rs 34,500/- ~~that~~
of the improvements to the road Rs 64,000.
Submitted for order.

Sir

With reference to the above, I have
the honor to inform you that the estimated
cost is Rs 34,500, and that a project —
amounting to Rs 64,000 for constructing
masonry works and other improvements
had been submitted to Government but
that it was returned for want of funds.
In returning it, the D.P.W. secretary directed
that as funds become available the
improvements should be carried out
in the following order:—

1st Improving drainage; 2nd Improving the road surface; and 3rd constructing tunnels.

II. Accordingly a project for improving the drainage was sanctioned for Rs 7155 and most of the work carried out.

III For the second improvement, provision was made in this year's Budget but the government have struck it out.
